HAPPY SUMMER VACATIONS

Colour the picture

SUMMER HOLIDAYS

Days of fun

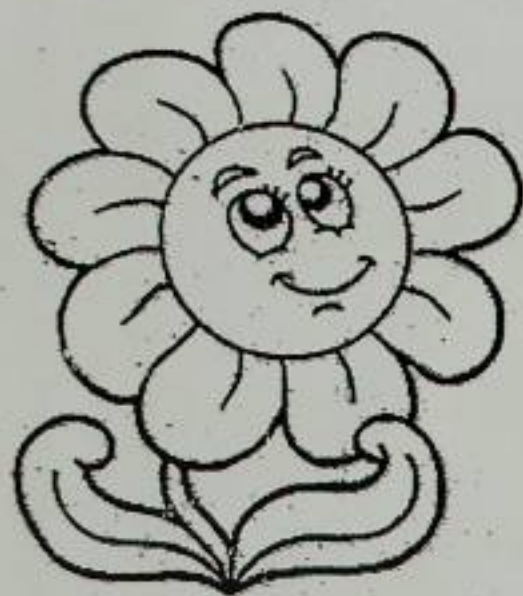

Now not in a bun

Summer holidays are pleasure

And the children's treasure

It's the glory

Of visiting a fairy

The trees are all dressed
In color which match best

The birds are flying here and there
Something in their beak, is it a
pear?

The summer holidays come full of
light

Long days and short nights

We can stroll here and there

We can roll here and there

We can sleep when we want

And the exams never haunt

We have time to see the flowers

And observe each star

A variety of greens

is also seen
